KIN 698C (Thesis) ADVISOR APPROVAL FORM

Students must have “classified” graduate status (either “on entry” or by submitting a Request for Classification form) before enrolling in 698. They also should already have completed a Program Planning Form in consultation with their graduate advisor, and have completed the two required graduate core classes, KIN 605 and 610 (or KIN 695QRE).

This completed form should be returned by the student to the Graduate Coordinator for approval and issuance of a permission to enroll number.
